

Dear Clients,

Nobody likes long emails, so here is our short, but to the point offer to you.

Translation Script Translation Company (<http://www.translationscript.net/>) is a fast growing startup with ambitions of a leader:

Ø Focusing on English to **Russian and Ukrainian** translations, we work with all **major European** and **Asian languages**.

Ø Our Eastern European location allows us provide **top-notch quality for reasonable rates**, starting at **\$0.03/w!**

Ø Our **services**: **Translation, DTP, Localization** and **Translation of audio and video** materials.

Ø Our **QA process** allows our clients to always stay on top.

Ø Among our end clients are industry leaders in almost all technical fields on the market. We did projects for Honda, Siemens and Gazprom to name a few.

Ø We also have a team of 12 Native Voice Over Artists (7 languages) and a professional studio. Our Voice Over services are performed **ONLY** by native speakers.

Ø Software: AutoCAD, Indesign, MemoQ, SDL TRADOS.
